1 October 2021

Dear Customer,

FIMER is pleased to provide customers of our **Active FIMER Certified Installers** an additional 2 years on top of our normal full replacement warranty period of 10 years for the UNO-DM-PLUS-Q range of single-phase inverters.

The extended warranty applies to the following inverter models sold and installed in Australia:

3P389900100A UNO-DM-2.0-TL-PLUS-B-Q  
3P389900S100A UNO-DM-2.0-TL-PLUS-SB-Q  
3P21990S100A UNO-DM-3.3-TL-PLUS-SB-Q  
3P22990S100A UNO-DM-4.0-TL-PLUS-SB-Q  
3P46990S100A UNO-DM-4.6-TL-PLUS-SB-Q  
3P25990S100A UNO-DM-5.0-TL-PLUS-SB-QU  
3P31990S100A UNO-DM-6.0-TL-PLUS-SB-G-QU

An additional 2-year warranty can be claimed for free for eligible inverters installed after 1 October 2021 when it has been installed and registered by an Active FIMER Certified Installer on the FIMER Partner Portal. A warranty certificate will be provided by FIMER upon an approved registration.

Inverters have to be registered on the FIMER Partner Portal within three months of the original installation date to receive the additional 2 year warranty.

This offer is available until 31st December 2021 for inverters purchased from FIMER and/or FIMER's sales channels. This offer may be extended at the sole discretion of FIMER. Listing of all approved, active FIMER Certified Installers can be found at: <https://www.fimer.com/anz-home>.

The offer is subject to FIMER's warranty terms and conditions document "**FIMER Solar Inverters, Terms and Conditions of Supply STANDARD "+", ASSURE Warranty for inverters, accessories and REACT 2 batteries**" which defines FIMER's warranty terms and conditions for solar inverters, accessories and REACT2 batteries.

All FIMER UNO-DM-PLUS inverters are manufactured in Italy.

Your sincerely,

Jason Venning
